Subject: Update: G20120172 (Fitzpatrick 2.206): Supplements and New Co-Petitioners (TAC ME 8189)

Good afternoon,

The formal supplement and attachment (inspection report) filed by Gunter et.al. are in ADAMS and are publicly available. In addition, we have received 16 co-petitions. 7 of the 16 co-petitions have been placed into ADAMS (as publicly available). I have added the supplement, attachment, and co-petitions to the 2.206 Petition SharePoint site for this petition (for convenience, I have included the ADAMS number in the title of the supplements and co-petitions on the SharePoint site). Please go to the SharePoint site for this petition to view any documents related to this petition, that have been placed in ADAMS.

I will update the SharePoint site as the additional 9 co-petitions are added to ADAMS and made publicly available.

Thanks for your support,

Subject: RE: G20120172 (Fitzpatrick 2.206): Supplements and New Co-Petitioner (TAC ME 8189)

Good morning,

The e-mail supplement sent by Mr. Gunter is publicly available (ML12079A036).

The additional formal supplement by Gunter et.al. and attachment (inspection report) are in ADAMS but are not yet publicly available, ML12081A284 and ML12081A283, respectively.

I have added the supplements to the 2.206 petition SharePoint site for this petition, which is at the following link, so you can go to one place for all the information on this 2.206 petition.

<http://portal.nrc.gov/edo/nrr/dpr/Lists/2206%20Petition%20Assignments/DispForm.aspx?ID=35&Source=http%3A%2F%2Fportal%2Enrc%2Egov%2Fedo%2Fnrr%2Fdpr%2FLists%2F2206%2520Petition%2520Assignment%2F2206%2520Assigned%2520Task%2520List%2Easpx>

In addition, please note that there are now 4 co-petitioners (Jason Randall, Christiane Feliciano, Karen Vaughan, Karen Robinson). Bhalchandra is in contact with the co-petitioners and is working to have the co-petitions placed into ADAMS. I will let you know once they have been added and will update the SharePoint site.
