PART II.A APPLICABLE EXEMPTIONS										
CB		Exemption	bject to the request that are described in the enclo No.(s) of the PA and/or the FOIA as indicated belo	ow (5 U.S.C. 552a and/or 5 U.S						
	Exempt	ion 1: The with	held information is properly classified pursuant to l	Executive Order 12958.						
	Exemption 2: The withheld information relates solely to the internal personnel rules and practices of NRC.									
			held information is specifically exempted from pub	•						
		ections 141-145 161-2165).	of the Atomic Energy Act, which prohibits the disc	closure of Restricted Data or Fo	rmerly Restricted Data (42 U.S.C.					
	s	ection 147 of the	e Atomic Energy Act, which prohibits the disclosure	e of Unclassified Safeguards In	formation (42 U.S.C. 2167).					
	41 U.S.C., Section 4702(b), prohibits the disclosure of contractor proposals in the possession and control of an executive agency to any person under section 552 of Title 5, U.S.C. (the FOIA), except when incorporated into the contract between the agency and the submitter of the proposal.									
	Exempt	ion 4: The with	held information is a trade secret or commercial o	r financial information that is be	ing withheld for the reason(s) indicated.					
	Т	he information is	s considered to be confidential business (proprieta	ry) information.						
	The information is considered to be proprietary because it concerns a licensee's or applicant's physical protection or material control and accounting program for special nuclear material pursuant to 10 CFR 2.390(d)(1).									
	Т	he information w	vas submitted by a foreign source and received in	confidence pursuant to 10 CFR	: 2.390(d)(2).					
		isclosure will ha	irm an identifiable private or governmental interest	t.						
	Exempt		held information consists of interagency or intraag le privileges:	ency records that are not availa	able through discovery during litigation.					
Deliberative process: Disclosure of predecisional information would tend to inhibit the open and frank exchange of ideas essential to the deliberative process. Where records are withheld in their entirety, the facts are inextricably intertwined with the predecisional information. There also are no reasonably segregable factual portions because the release of the facts would permit an indirect inquiry into the predecisional process of the agency.										
	A	ttorney work-pro	oduct privilege. (Documents prepared by an attorr	ney in contemplation of litigation))					
	✓ A	ttorney-client pri	vilege. (Confidential communications between an	attorney and his/her client)						
Exemption 6: The withheld information is exempted from public disclosure because its disclosure would result in a clearly unwarranted invasion of personal privacy. Exemption 7: The withheld information consists of records compiled for law enforcement purposes and is being withheld for the reason(s)										
 indicated. (A) Disclosure could reasonably be expected to interfere with an enforcement proceeding (e.g., it would reveal the scope, direction, and focus of enforcement efforts, and thus could possibly allow recipients to take action to shield potential wrong doing or a violation of NRC requirements from investigators).

			PART II.B DENYING							
Pursuant to 10 CFR 9.25(g), 9.25(h), and/or 9.65(b) of the U.S. Nuclear Regulatory Commission regulations, it has been determined that the information withheld is exempt from production or disclosure, and that its production or disclosure is contrary to the public interest. The person responsible for the denial are those officials identified below as denying officials and the FOIA/PA Officer for any denials that may be appealed to the Executive Director for Operations (EDO).
