FOIA/PA REQUEST

Case No. 2014-0360

From: Michael T Stanley <mtstanley@duf6.com>
Sent: Wednesday, July 23, 2014 10:11 AM
To: FOIA Resource
Cc: Haley, Raymond; Stephen Luke
Subject: FOIA Request

Date Rec'd. 7/23/14
Specialist: Raneff
Received Date: _____

NRC FOIA Official,

As an authorized official of Babcock & Wilcox Conversion Services, LLC, (a Department of Energy prime contractor), I hereby request a Freedom of Information Act (FOIA) release on the behalf of the United Steel Workers (USW) Union Local 5-550, Vice President, Mr. Jim Key, for the following document –

Document Name	Document Number	Date	Document Owner	Document Location
Security Incident Report	Report No. 14-007	3-2-14	United States Enrichment Corporation (USEC), an NRC licensee located at the Paducah Gaseous Diffusion Plant	USEC Paducah Gaseous Diffusion Plant, P.O. Box 1410, 5600 Hobbs Road, Paducah, KY 42002

The USW has petitioned the National Labor Relations Board (NLRB) to solicit this document through B&W Conversion Services, LLC, and the NLRB has ruled that B&W Conversion Services, LLC, should help facilitate the Union's request for this particular document. As such, I am submitting this FOIA request on the USW's behalf.

Statement of Fee Acknowledgement –

As an authorized official of the B&W Conversion Services, LLC, I hereby authorize the assignment of fees related to this FOIA request, not to exceed \$100.00 dollars (U.S.). If fees associate with this request are expected to exceed \$100.00 dollars (U.S.) then, B&W Conversion Services, LLC, hereby requests notification of total fee amounts associated with this FOIA request.

Any questions related to the above request may be addressed to the undersigned below.

Regards,

Michael T. Stanley
