Subject: Quarterly Report

Mike,

For clarification and as a follow-up to our telephone conversation today, Strata's license condition 11.1 A) for a quarterly report on excursions will be in effect after Strata begins operations. Therefore, at the present time until operations begin, Strata does not have to submit a report.

The quarterly report requirement differs from the semi-annual effluent monitoring reporting requirements. The requirement for submittal of semi-annual reports is based on 10 CFR 40.65, which applies to "each licensee authorized to possess and use source material". Because you have a license, you must submit the semi-annual reports.

John
