**RE: Additional Information License No. 21-26391-01  
Remove Authorized User Physician  
Add 10 CFR 35.100 to Existing Authorized User Physicians**

Dear Sir/Madam:

We would like to remove David P. Gowman, D.O. as an authorized user physician from our NRC license. However, Dr. Gowman was the only authorized user physician authorized for 10 CFR 35.100 uses. In order to maintain 35.100 uses on our license, we are requesting to add 10 CFR 35.100 use to the current list of authorized user physicians (who are already approved for 10 CFR 35.200 uses).

If you have any questions or require additional information, please contact our physics consultant, Cari Dzanbazoff at (734) 662-3197, fax (734) 662-9224, or e-mail [cdz\\_mpc@comcast.net](mailto:cdz_mpc@comcast.net).

Hello Ms. Shaffer,

Per your correspondence with Cari Dzanbazoff, our facility physics consultant, I have attached an additional letter requesting the addition of 10 CFR 35.100 to our list of authorized user physicians (who already are approved for 10 CFR 35.200 uses).

Thank-you so much for bringing this matter to our attention and for allowing us the opportunity to make the additional amendment.

Please feel to call Cari or myself if any further action on our part is required.

Thank-you again for your help on this matter,
