ASLBP No. 15-935-02-LA-BD01

ORDER

(Granting CASE's Motion to Receive Service by Email)

On October 14, 2014, Citizens Allied for Safe Energy, Inc. (CASE) filed a petition to intervene and request for a hearing related to license amendments recently granted by the NRC for the Florida Power & Light Company's Turkey Point Nuclear Generating Units 3 and 4.¹ Along with that petition, CASE moved to request an exemption from 10 C.F.R. § 2.302(g)'s requirement that filings be made electronically through the NRC's Electronic Information Exchange (EIE) system.² Recent upgrades to the EIE system have created incompatibilities with Apple computers that have prevented CASE from receiving EIE filings as it once did.³ Until

¹ Citizens Allied for Safe Energy, Inc. Petition to Intervene and Request for a Hearing (Oct. 14, 2014).

² Citizens Allied for Safe Energy, Inc. Petition to Submit Filings and to Receive Information by Email (Oct. 14, 2014).

³ Id. at 1-2.

this incompatibility is fixed, counsel for CASE has requested that the Board allow CASE to receive filings by email⁴ -- an exemption that requires a showing of good cause.⁵

The EIE system's lack of compatibility provides good cause to deviate from the normal electronic filing requirements. The Board therefore directs all parties to this proceeding to serve filings through the EIE system and by email to CASE, with a certificate of service reflecting both methods of service. CASE shall submit filings by emailing all parties, the Board, its law clerk, and SECY, with a certificate of service that reflects the use of email. This Order will remain in effect until the Board is advised that the EIE system is compatible with CASE's computer.

It is so ORDERED.
