Environmental Management Program

US Nuclear Regulatory Commission

Att: GLTS

Washington DC 20555-0001

Sir,

As of September 1st 2014, Sunrise Coal LLC assumes ownership of all operations currently operated by Black Panther Mining and Five Star Mining Company. Sunrise Coal LLC will take over management of both operations as of the above date. Both mines have a series of nuclear sources as listed on the following pages of this document.

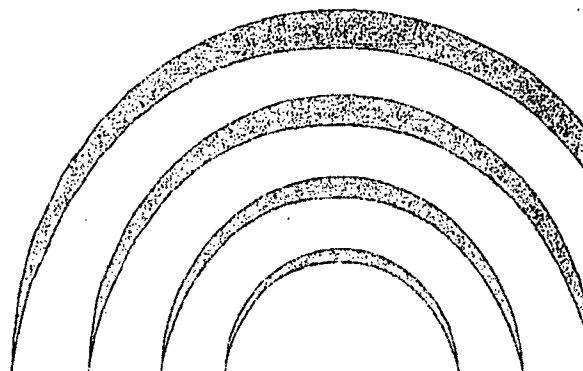

The purpose of this letter is to request the re-assignment of the RSO title of both properties to John Wheaton as of the above date. Black Panther and Five Star Mining employees currently named as RSO have been notified and are currently working with Sunrise Coal LLC for a smooth transition. Attached to this document is all information requested for this transfer. Should further information be required, please feel free to contact me with the contact information listed on the next page.

Thank You,

A handwritten signature in black ink, appearing to read "John Wheaton", is written over a faint, larger version of the Sunrise Coal LLC rainbow logo.
