Metadata Summary

Explore PA Trails - Trails

Title: Explore PA Trails - Trails

Originator: PA DCNR and Rails-to-Trails Conservancy

Publication Date: October, 2009

Abstract: This feature class contains lines for trails in the state of Pennsylvania, as prepared by the PA DCNR, Rails-to-Trails Conservancy, PA Fish and Boat Commission, and Keystone Trails Association. The majority of data was collected using GPS units and checked for quality and accuracy against high-resolution aerial imagery. See Method. Data was collected between November 2007 and October 2009.
