Citizens Allied for Safe Energy, Inc. Petition To Submit Filings and To Receive Information By Email

BACKGROUND

Citizens Allied for Safe Energy, Inc. (CASE) wishes to file a motion in the subject matter. Currently, due to a technical change in the EIE system beginning on January 1, 2014 the EIE, is unable to accept information from CASE or to automatically forward responses and communications. Pursuant to NRC regulation [10 C.F.R. 2.302\(g\)](#), CASE is requesting that it be allowed to submit NRC Judiciary filings by email and to be sent related information by email

DISCUSSION

At the beginning of 2014 the EIE changed its system such that Apple Macintosh (MAC) Computers are no longer able to communicate with the EIE system. EIE staff says that they are working to resolve this issue but, for now, CASE is unable

to submit filings and receive information in the subject matter via the EIE system since CASE only has a MAC computer.

## CONCLUSION

CASE is hereby requesting that it be permitted to submit NRC Judiciary filings by email to [hearing.docket@nrc.gov](mailto:hearing.docket@nrc.gov) until the EIE system can accept filings from its computer and have information generated by the EIE system sent by email.

Respectfully submitted,

/s/ Barry J. White
