Subject: CO to Mr. Chaisson
Importance: High

We participated on a teleconference with Mr. Chaisson this morning to discuss the ADR process. Included in this phone call were participants: Vivian Campbell, DNMS Deputy Director; Heather Gepford, ACES Branch Chief; Christi Maier, Enforcement Specialist and myself. We discussed what his options were to the existing Confirmatory Order. Included in this discussion were the differences between challenging the order and the participating in ADR process. After much discussion, it was determined that Mr. Chaisson DOES NOT agree that he deliberately committed the violation and would prefer to challenge the order. However he does not understand how to challenge the order and someone that is familiar with this process should call him to explain what he needs to do.

He can be reached at his cell phone between 0900 and 1200 MDT (1100 and 1400 EDT) each day, Monday through Friday. I will provide his cell phone number under separate email.

Thanks,

Ray
