Good Morning Tammy,

Here is the form regarding terminating our license. I completed everything except Section B and C as the transfer and/or disposal of sealed sources on site has not yet occurred. Radiation surveys will be completed once these sources have been removed from the premises.

Thank you,
Lula Haskell, CNMT, RT(N)

Subject: NRC Materials License Termination Form (314)

Hi Nancy,

Patty Pelke asked that I email you the Form 314 which is necessary to terminate your materials license (License #16-32540-01). Please see attached. When you have completed the form, please email a copy to me by Thursday, October 30, so that we can process the termination request into our system before your license terminates.

Also, please provide current contact information for this license. A reviewer may need to contact you in the course of terminating your license, and we'd like to have the most accurate information available.

Please do not hesitate to contact me if you have any questions, or if I can provide further assistance.

Thank you,
Tammy Tomczak
