## CONFIRMATION OF REQUEST TO TERMINATE LICENSE

Greetings!

This communication is in regards to the letter sent on September 23, 2014, by our company's legal representatives, requesting the termination of license number 52-3132A-01. As company owner and president, I read and agree to the content of the above mentioned letter, as it is our desire that the license be terminated. As mentioned before, the gauges were correctly disposed of and HR Asphalt, Inc. no longer possesses nor is interested in possessing nuclear material for any general or particular use.

Sincerely,

  
Hector Rodriguez  
Owner and President of HR Asphalt, Inc.
