REQUESTER

Julian Tarver

DATE

OCT 29 2014

PART I. -- INFORMATION RELEASED

- No additional agency records subject to the request have been located.
- Requested records are available through another public distribution program. See Comments section.
- | |
|------------|
| GROUP
A |
|------------|

 Agency records subject to the request that are identified in the specified group are already available in public ADAMS or on microfiche in the NRC Public Document Room.
- | |
|-------|
| GROUP |
|-------|

 Agency records subject to the request that are contained in the specified group are being made available in public ADAMS.
- | |
|-------|
| GROUP |
|-------|

 Agency records subject to the request are enclosed.
- Records subject to the request that contain information originated by or of interest to another Federal agency have been referred to that agency (see comments section) for a disclosure determination and direct response to you.
- We are continuing to process your request.
- See Comments.

PART I.A -- FEES

AMOUNT*

\$

--

* See comments for details

- You will be billed by NRC for the amount listed.
- None. Minimum fee threshold not met.
- You will receive a refund for the amount listed.
- Fees waived.

PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- No agency records subject to the request have been located. For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
- Certain information in the requested records is being withheld from disclosure pursuant to the exemptions described in and for the reasons stated in Part II.
- This determination may be appealed within 30 days by writing to the FOIA/PA Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Clearly state on the envelope and in the letter that it is a "FOIA/PA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

A copy of your incoming request will be placed in the NRC's Public Electronic Reading Room as ML#14301A243. Records with an ML Accession Number are publicly available in the NRC's Public Electronic Reading Room at <http://www.nrc.gov/reading-rm.html>. If you need assistance in obtaining these records, please contact the NRC's Public Document Room (PDR) at 301-415-4737, or 1-800-397-4209, or by email to PDR.Resource@nrc.gov.

Although it is not entirely clear from the wording of your request what delegation-related records you are looking for, because we are unable to reach you, we have construed your request to be asking for Management Directive (MD) 9, NRC Organization and Functions, which is publicly available at <http://www.nrc.gov/reading-rm/doc-collections/management-directives/volumes/vol-9.html>. Although the FOIA does not require agencies to respond to requests for records that an agency is obligated to make publicly

PART I.C COMMENTS (Continued)

available through publication in the Federal Register (5 U.S.C. 552(a)(1)) or by posting the records on its web page (5 U.S.C. 552(a)(2)), as a courtesy to you, we have attached a listing of the various volumes of MD 9, which is what you would see at the above link. Because the number of pages in MD 9 is voluminous, we cannot provide you with paper copies. It is our standard procedure to provide the appropriate links for publicly available information that requesters can access on their own. This is the most efficient and cost effective way to receive already publicly available information. When you submitted your FOIA/PA request to us, you stated that you were not interested in paying any fees. We realize that you do not have access to the internet at this time. We regret that the NRC cannot make special allowances for requesters based on their unique situations.
