Subject: Request for Information, Termination Request Ltr. dtd 09/29/2014
 Discussion: Mr. Davies was contacted to request information regarding the termination letter. I asked Mr. Davies to provide a letter stating that all radioactive material had been removed from the facility and that no tubes had been broken or the seals breached while at the storage location and that all radioactive labels and signage had been removed. Mr. Davies said that he would have the employees that cleared the facility verify the information and that he would provide the results in a letter. He stated that no radioactive material would be used or stored in Puerto Rico.

Action Required: Licensee to provide the information in a letter.
