Dear Mr. Lundberg:

The Office of Federal and State Materials and Environmental Management Programs has received the October 27, 2014, letter from you transmitting the Utah final regulations for RATS ID: 2012-1. In addition, we have received an September 17, 2014, e-mail from Craig Jones requesting the correction to the SRS sheet regarding the previous review of RATS ID 1991-4. This review will combine both of these requests. The review has been assigned to me and it is our goal to complete the review within 60 days.

If you have any further comments or questions, please contact Janine Katanic, State Regulation Review Coordinator at 817-200-1151 or through the [AgreementStateRegs.Resource@nrc.gov](mailto:AgreementStateRegs.Resource@nrc.gov).
