Ms. Maureen Wylie, Chief Financial Officer
Office of the Chief Financial Officer
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

**Paducah Gaseous Diffusion Plant (PGDP)
Docket No. 70-7001, Certificate No. GDP-1
Request to Terminate PGDP 10 CFR Part 171 Annual Fee**

Dear Ms. Wylie:

The purpose of this letter is to request that the U.S. Nuclear Regulatory Commission (NRC) terminate the PGDP 10 CFR Part 171 annual fee effective October 21, 2014. At 7:00 a.m. Central Daylight Time on October 21, 2014, all former PGDP facilities were de-leased to the Department of Energy (DOE). The de-leased facilities are no longer subject to the regulatory jurisdiction of the NRC; instead, DOE possesses these facilities and is responsible for their regulatory oversight.

Centrus Energy Corp. (Centrus), therefore, requests that the PGDP 10 CFR Part 171 annual fee be terminated effective October 21, 2014. Centrus acknowledges that 10 CFR Part 170 invoices will continue to be received for reviews and inspections already conducted for the PGDP docket and reviews related to the PGDP Certificate closeout. If you have any questions regarding this matter, please contact me at (301) 564-3250.

Sincerely,

Steven A. Toelle
Director, Regulatory Affairs
