Dr. William W. Sager
Administrative Judge
Atomic Safety and Licensing Board
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

In the Matter of
Tennessee Valley Authority
(Bellefonte Nuclear Station, Units 3 and 4)
Docket Nos. 52-014 and 52-015

Dear Administrative Judges:

Pursuant to the Licensing Board's Memorandum and Order dated October 14, 2008, as amended by the Memorandum and Order dated April 20, 2012, the NRC Staff's quarterly hearing file update was due on October 1, 2014. However, this deadline was inadvertently missed due to attorney reassignments within the Office of the General Counsel. Therefore, NRC Staff is filing this hearing file update today in place of the update due on October 1, 2014. The NRC Staff apologizes for the delay.

The NRC Staff is notifying the Licensing Board and the parties that it has no documents to add to the hearing file or mandatory disclosures for this month. Attached as Attachment 1, as required by 10 C.F.R. § 2.336(c), is the Affidavit of Manny Comar.

Respectfully submitted,

/signed (electronically) by/
Anthony Wilson
Counsel for the NRC Staff
U.S. Nuclear Regulatory Commission
