Subj.: Freedom Of Information Act Request

Records Office Access:

This request is made under the Freedom Of Information Act (FOIA), 5 U.S.C. § 552 [Privacy Act U.S.C. § 552(a)].

Please send me any information which will explain to me the purpose of your agency and what its mission is.

As you know, the Freedom Of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all non-exempt portions of the records which I have requested, and ask that you justify any deletions with reference to specific exemptions of FOIA. The information requested is not to be used for commercial purposes, therefore, I do not anticipate there will be a charge for review of the material to see if it falls within one of FOIA's exemptions.

The Freedom Of Information Act provides for a waiver or reductions of search and duplication of fees where the "disclosure of the information is in the public understanding of the operation or activities of the government and is not primarily in the commercial interest of the requester." This request should be exempt from all fees because it is in the interest of understanding this governmental agency's actions. If you deny this request, however, please notify me as to the fees so I can decide whether to pay the fees or appeal your denial of my request for a waiver.

Finally, the Freedom Of Information Act requires that an agency respond to a request within twenty (20) business days of receipt of a request. Therefore, your expeditious response is greatly appreciated. Thank you in advance for your time and cooperation.

Respectfully Submitted,

  
Nicholas Rivers
