Good Morning Ms. Baker,

Thank you for your message and for your review of our document. The Final Supplemental Environmental Impact Statement addresses the matter of inadvertent discoveries in Section 4.10.6. The licensee, Ameren, has stated that there are procedures in place for such discoveries which include instructions to notify Ameren's Environmental Services Department immediately upon an inadvertent discovery.

Please do not hesitate to contact me if I may be of further assistance.

Best regards,
