SUBJECT: GENERIC FUNDAMENTALS SECTION OF THE WRITTEN OPERATOR
LICENSING EXAMINATION

The U.S. Nuclear Regulatory Commission (NRC) plans to administer the generic fundamentals examination (GFE) section of the written operator licensing examination on the following dates during this calendar year:

March 4, 2015
June 10, 2015
September 9, 2015
December 9, 2015

To register personnel to take the GFE, an authorized representative of your facility must submit a letter to Marc L. Dapas, Regional Administrator, Region IV, with a copy addressed as follows:

Chief, Operator Licensing and Training Branch, NRR
U.S. Nuclear Regulatory Commission
11555 Rockville Pike
Mail Stop O7 D23
Rockville, MD 20852-2738

Your letter should identify the individuals who will take the examination, and it should certify that they are enrolled in a facility licensee-sponsored program leading to NRC operator licensing and that they will have completed their fundamentals training by the date of the examination. The letter should also identify the personnel who will have access to the examinations before they are administered (e.g., proctors) and the address to which the examinations are to be sent. To

allow the NRC to assign docket numbers, your letter should be received by both the NRC regional administrator and Operator Licensing and Training Branch, **30 days before each desired examination date** shown above. A sample registration letter is enclosed.

Copies of the administered GFEs and their answer keys will be available for review from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room) approximately 45 days following the examination administration date. The NRC's GFE Web page (which is available at <http://www.nrc.gov/reactors/operator-licensing/generic-fundamentals-examinations.html>) will be updated semi-annually, approximately 60 days following the June and December examinations.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

If you have any questions concerning this examination, please contact Lawrence Vick at (301)415-3181.

Sincerely,

/RA/
