The Honorable Harry Reid  
United States Senate  
Washington, DC 20510

Dear Senator Reid:

On behalf of the U.S. Nuclear Regulatory Commission, I am providing the remaining responses to questions in your letter of October 29, 2015, regarding transportation packages for spent nuclear fuel and high-level radioactive waste. Our responses to your requests 1, 2, and 4 were transmitted to you on December 11, 2015. Enclosed with this letter are the responses to your requests 3, 5, and 6. For each transportation package, we include information provided by the applicant regarding all physical tests performed, a description of methods and analyses used, and test results.

I appreciate your patience while we completed our responses to you. If you have any questions about the enclosed materials, please contact me or Eugene Dacus, Director of the Office of Congressional Affairs, at (301) 415-1776.

Sincerely,
