

**UNITED STATES NUCLEAR REGULATORY COMMISSION
CHARTER FOR THE ADVISORY COMMITTEE ON MEDICAL USES OF ISOTOPES**

1. Committee's Official Designation:

Advisory Committee on the Medical Uses of Isotopes (Committee or ACMUI)

2. Authority

Established Pursuant to Section 9 of Public Law 92-463 as an NRC discretionary committee.

3. Committee's objectives, scope of activities and duties are as follows:

The Committee provides advice, as requested by the Director, Division of Material Safety, States State, Tribal, and Rulemaking Programs (MSTR), Office of Nuclear Material Safety and Safeguards (NMSS), on policy and technical issues that arise in regulating the medical use of byproduct material for diagnosis and therapy. The Committee may provide consulting services as requested by the Director, MSTR.

4. Official to whom this Committee reports:

Director, Division of Material Safety, States State, Tribal, and Rulemaking Programs
Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555

5. Agency responsible for providing necessary support to this Committee:

U.S. Nuclear Regulatory Commission.

6. Estimated Annual Operating Costs and Staff Years

Approximately 13 members utilize 2.14 FTE (includes approximately 1.03 FTE for NRC staff and 1.11 FTE for ACMUI member compensation and travel) and \$348,000.

7. Designated Federal Officer:

A full time NRC employee from the Division of Material Safety, States State, Tribal, and Rulemaking Programs will serve as the Designated Federal Officer.

8. Estimated number of meetings per year:

Five meetings per year, three of which are teleconferences.

9. Duration:

Continuing Committee

10. The Committee's termination date.

Continuing Committee subject to Charter renewal in March, 2018.

11. Membership and Designation:

Members are appointed by the Director, NMSS as Special Government Employees (SGEs). The membership includes health care professionals of diverse specialties who represent diagnostic and therapeutic applications of medicine, medical administration, and patient care advocacy.

12. Subcommittees:

The Committee does not have standing subcommittees; if ad hoc subcommittees are used, they would report to the parent committee full Committee.

13. Recordkeeping:

The Committee records will be handled in accordance with General Records Schedule 26 and approved NRC records disposition schedules. These records shall be available for public inspection and copying, subject to the Freedom of Information Act, 5 U.S.C. 552.

14. Filing date:

Month XX, 2016

Andrew L. Bates
Advisory Committee Management Officer
Office of the Secretary of the Commission
