Perry Nuclear Power Plant  
Docket No. 50-440, License No. NPF-58  
NRC Post-Examination Documentation, Perry License Class 1LOT17

In accordance with the guidance provided in NUREG-1021, "Operator Licensing Examination Standards for Power Reactors" (Revision 10), ES-501, "Initial Post-Examination Activities" Section C.1, the following materials are submitted in support of the Perry Nuclear Power Plant written operator license examination conducted on February 16, 2017:

1. Graded written examinations (i.e., each applicant's original answer and examination cover sheets) plus a clean copy of each applicant's answer sheet (ES-403, "Grading Initial Site-Specific Written Examinations")
2. Master examination(s) and answer key(s), annotated to indicate any changes made while administering and grading the examination(s) (ES-402, "Administering Initial Written Examinations," and ES-403)
3. Questions asked by and answers given to the applicants during the written examination (ES-402)
4. Substantive comments made by the applicants after the written examination, with an explanation concerning why the comment was accepted or rejected (this item is encouraged but not required) (ES-402)
5. Seating chart for the written examination (ES-402)
6. Completed Form ES-403-1, "Written Examination Grading Quality Checklist" (ES-403 and Section D.1)
7. Results of any performance analysis that was performed for the written examination, with recommended substantive changes (ES-403)

Re: Attachments to Perry Initial License Examination Post-Examination Submittal Letter Dated February 22, 2017

---

Comments: The Attachments to the referenced letter have been removed.

Attachment 1 Graded Written Examinations are located in the Applicants Docket Files.

Attachment 2 Master Exam and Answer Key are located in the Administered Exam ADAMS Package

Attachment 3 Applicant's Questions/Responses during Exam Administration is located in the Administrative Files ADAMS Package

Attachment 4, Post-Exam Comments were included with the Examination Report

Attachment 5 "Seating Chart" was discarded.

Attachment 6, ES-403-1 is located in the Administrative Files ADAMS Package

Attachment 7 was reviewed, evaluated, and discarded.

Attachment 8, ES-201-3 "Examination Security Agreement" is located in the Administrative Files ADAMS Package

Attachment 9 incorporated into the as-administered Admin JPM file in the Administered Exam ADAMS Package

8. Original Form(s) ES-201-3, "Examination Security Agreement," with a pre- and post-examination signature by every individual who had detailed knowledge of any part of the operating tests or written examination before they were administered
9. Original Form ES 301-1 (SRO) and JPM AS-5, Administrative Topics Outline, for a Substitution during the Exam

The post examination performance analysis identified potential areas of weakness. Two questions on the Reactor Operator Exam (RO-24 and RO-45) and four questions on the Senior Reactor Operator Exam (SRO-03, SRO-09, SRO-22, and SRO-25) were missed by 50 percent or more of the applicants. This condition was entered into the Corrective Action Program under Condition Report 2017-01751 for further analysis.

There are no regulatory commitments contained in this letter. If there are any questions or if additional information is required, please contact Mr. Nicola Conicella, Manager - Regulatory Compliance, at (440) 280-5415.

Sincerely,

David B. Hamilton
