DOCKET 50-255 - LICENSE DPR-20 - PALISADES PLANT -
UPDATE OF PAGE CHANGE TO PROPOSED TECHNICAL SPECIFICATION
CHANGE - REMOVAL OF ORGANIZATION CHARTS (GENERIC LETTER 88-06)

CPC letter dated September 21, 1988 proposed a change to Technical Specification page 6-3. Since that time, other Technical Specification Change Requests have been approved which have changed the content of page 6-3. Attachment 1 to this letter contains a revised proposed page 6-3, now designated proposed page 6-1b, which adds Section 6.3.4 (approved by amendment No 127) and changes the numeric designation of proposed Section 6.3.4 to 6.3.5.

This is an editorial change only and does not require additional review by the Plant Review Committee or the Nuclear Safety Services Department.
