Mr. Jones,

Thank you for speaking with me this afternoon. As I stated in our discussion, we received a letter from the Newburyport City Council dated April 17, 2018 and will be responding in writing. In advance of that formal response, though, we wanted to make the council aware of a public meeting that will be occurring in the near term. Specifically, the NRC will be holding our annual public meeting to discuss Seabrook plant performance on Wednesday, May 2, 2018 from 6:00 – 7:30 p.m. at Best Western Plus, The Inn at Hampton (815 Lafayette Rd, Hampton, NH 03842). Though the focus of this meeting is to present the NRC's assessment of Seabrook plant performance for 2017, we will answer questions on a variety of topics, including emergency preparedness.

Attached is our meeting notice, which provides a little more detail, but please don't hesitate to contact me if you have any questions or need any more information.

Regards,  
Jon
