Surry Power Station, Units 1 and 2, Subsequent License Renewal Environmental Public Scoping Meeting

On January 8, 2019, the staff held a public scoping meeting in Surry, VA, to support the NRC environmental review of the subsequent license renewal application for Surry Power Station, Units 1 and 2. The purpose of the meeting was to provide to the public an overview of the staff's license renewal review process and to receive public comments regarding important environmental issues that the staff should consider. The public comments will be transcribed and placed on the record for the staff to consider in preparing for its environmental review of the application.
