Subject: Request for Radioactive Materials License Termination

Dear Mr. Torres,

We will not continue to utilize this license as we have secured an NRC Radioactive Materials License with a sister company to BSEn and any associated work will be performed under the new license.

As shown on the attached NRC form 314, there were no radioactive materials procured or possessed under this license. Therefore no surveys were required.

If you have any questions or comments, please contact me at 865-220-7193. Thank you for your timely response.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad Squibb", is written over a faint, light-colored signature line.
