Good afternoon Tom,

It was nice speaking with you this morning. As we discussed, this note intends to provide you with added requests as described in the initial request for information, ML19024A277.

I am selecting welds from these work orders for review:

<u>WO No.</u>	<u>Desc.</u>
40592667	1SI-845E Valve Replacement
40584606	Narrow Range RTD Manifold Replacement
40104553	1P-11B CCW Pump Replacement
40575123	1AF-107 Valve Replacement

Part B.1 steps through the documents requested for each weld package.

I am selecting corrective actions (AR):

02280142
02280311
02284094
02286254
02280872
02265205
02253134
02273779
02266763
02281070
02285555
02285760
02288671

Please provide the preceding upon my arrival March 25, 2019.

Please provide an electronic copy of NDE report no. 2017U1UT-005 which recorded a relevant indication on component RC-03-PS-1002-25 to me at your nearest convenience and preferably before next week.

Thank you.
Regards,
Matt
