Proposal Title: RELEASES NUCLEAR FUEL REPROC
Proposal Number: 31310018F0009

Dear Sir or Madam:

The Department of Energy (DOE), National Nuclear Security Administration (NNSA), Sandia Field Office (SFO) has accepted the above-referenced funding document subject to the terms and conditions described herein. Previous funding remains certified as available and continues under Contract DE-NA0003525 with National Technology and Engineering Solutions of Sandia, LLC for performance of the referenced project at Sandia National Laboratories. Sandia National Laboratories is hereby authorized to accommodate the requested change without interference to DOE-funded programs as reimbursable work for Other Federal Agencies.

The referenced project shall be performed under the aforementioned operating contract; the U.S. Economy Act of 1932, as amended; and in accordance with other applicable laws and regulations, if applicable or as noted in the attached funding document. Billing for this work will be done in accordance with current DOE policies. Should additional funding be required to complete the project, you will be notified as to the amount and date additional funds are needed.

Questions or concerns regarding this submission should be directed to the DOE contact named above and should reference the proposal number.

Sincerely,

Lindsey E. VanNess
