McGranery and Bickwit 10 CFR 2.206 Petitions

Gentlemen:

My office did not receive the referenced letter and its attachments until September 29, 1989. Because of the unfortunate delay in receipt of this letter, and the number of arguments contained in its attachments, LILCO does need additional time to submit its comments. Thus, pursuant to the opportunity offered in your September 15, 1989 letter, LILCO is informing the NRC Staff that we intend to submit our comments no later than November 10, 1989.

Should you have any questions or require additional information, please do not hesitate to call my office.

W. E. Steiger, Jr.
