Docket No. 50-331
Renewed Op. License No. DPR-49

Subject: Supplement to Response to Request for Additional Information Relating to Proposed Changes to the Emergency Plan for Permanently Defueled Condition

Reference: D. Curtland (NextEra Energy Duane Arnold, LLC) to USNRC, "Response to Request for Additional Information Relating to Proposed Changes to the Emergency Plan for Permanently Defueled Condition," NG-19-0124, dated October 28, 2019 (ML19301A529)

In the referenced letter, NextEra Energy Duane Arnold, LLC (NEDA) committed to providing an ERO Drill to validate the proposed ERO changes. The commitment stated that the NRC and FEMA will be notified of the date in advance, and offered the opportunity to observe. This letter revises that commitment to include advance notification of the drill date to the OROs with an offer to participate.

This letter contains no new commitments.

This additional information does not impact the 10 CFR 50.92 evaluation of "No Significant Hazards Consideration" previously provided in the referenced application.

In accordance with 10 CFR 50.91, a copy of this letter is being forwarded to the State of Iowa designee.

If you have any questions regarding this matter, please contact Mike Davis, Licensing Manager at (319) 851-7032.

I declare under penalty of perjury that the foregoing is true and correct.
Executed on December 9, 2019.

A handwritten signature in black ink, appearing to read "Dean Curtland". The signature is fluid and cursive, with a large initial "D" and "C".
