Operating License No. DPR-72
10 CFR Part 26, "Fitness-For-Duty"
Additional Drugs

Dear Sir:

Title 10, Code of Federal Regulations, Part 26, Appendix A, Subpart A, Section 1.1, requires licensees to submit within sixty (60) days of implementation a listing of any additional drugs included in the fitness-for-duty testing program. On January 3, 1990, Florida Power Corporation's (FPC) Fitness-For-Duty Program was implemented.

Below is a list of five (5) additional drugs which are included in the pre-access testing of FPC employees (non-contractors) and for-cause testing of FPC employees (including contractors) with unescorted access. During initial screening, the following cut-off levels are used when testing specimens for these additional drugs.
