Gentlemen:

Updated Service List
AECM-90/0047

The updated service list to be used for System Energy Resources, Inc. (SERI) correspondence is attached. The attached updated service list has been marked with revision bars to indicate changes. SERI requests that all future correspondence from the Nuclear Regulatory Commission to SERI be addressed in accordance with this revised service list.

SERI continues to receive NRC correspondence that is incorrectly addressed. In particular, Facility Fee Bills (10CFR170.21(A)) are being addressed to the wrong primary addressee. All future NRC correspondence should be addressed to myself as primary addressee.

These changes are effective March 1, 1990.

Yours truly,
