Emergency Planning
Shoreham Nuclear Power Station - Unit 1
Docket No. 50-322

Dear Mr. Denton:

Please find enclosed, ten (10) controlled copies of the revised Shoreham onsite emergency plan and ten (10) controlled copies of Shoreham's "Emergency Preparedness Implementing Procedures" (EPIP). These documents have been revised to incorporate the resolution of appraisal findings and additional changes resulting from administrative and technical reviews.

Three (3) additional controlled copies of this information have been forwarded to Region I, Inspection and Enforcement, for their review.

It should be noted that this revised emergency planning information supercedes, in its entirety, the information contained in Section #13.3 of the Shoreham Final Safety Analysis report.

Should you have any questions regarding this information, please feel free to contact this office.

Very truly yours,

J. L. Smith (handwritten signature)
