FREEDOM OF INFORMATION ACT REQUEST

Dear Sir/Madam:

I am interested in obtaining copies of letters which were written by the NRC regarding Mr. Robert Russell Reardon pertaining to his over exposure to radiation while he was working at the Pilgrim Nuclear Power Plant in Boston, MA.

Mr. Reardon (SS# 019-26-9457) resided at 1264 Brook Road, Milton, MA. Mr. Reardon worked for Boston Edison at the Pilgrim Plant (Docket # 50-00293) from 1977 until his death in 1987.

I would like to obtain copies of all available letters written by the NRC to both Mr. Reardon and to Boston Edison or the Pilgrim Power Plant.

I would also like to find out how many other employees received such letters over the same period of time. In addition, I would like to find out how many times the Pilgrim Plant was cited for violations regarding radiation overexposure of their employees during that same ten year time period.

Please advise me as to the cost of obtaining such information. If there is any additional identifying information which you need me to provide, please contact me at this office.

Very truly yours,

Brian J. Kelly
