DOCKET 50-255 - LICENSE DPR-20 - PALISADES PLANT -
REVISION 25 TO THE PALISADES SECURITY PLAN

Attached are one original and three copies of Revision 25 to the Palisades Security Plan. This revision includes changes to Security Plan drawings to clarify the Protected Area boundary within the plant security building and Vital Area boundaries in other specific vital areas of the plant. Also included are corrected pages 35, 36, 37 of 47 in Sections 5.3.1f and 6.6.6 respectively which had been inadvertently omitted during text processing for Security Plan Revision 24 dated February 9, 1990. Since these pages are corrections only and there have been no other text changes to them, pages 33 and 36 will remain as Revision 24 and page 37 will remain as Revision 23.

Consumers Power Company has determined these changes do not decrease the safeguards effectiveness of the Security Plan and therefore submits these changes in accordance with 10CFR50.54(p).
