Director of Nuclear Reactor Regulation  
United States Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Sir:

Due to the permanent reassignment of Mr. John J. Clark, docket number 55-6195 and license numbers SOP-3135-6 and OP-5577-4, Alabama Power Company submits that Mr. Clark no longer has the need to maintain his licenses. Therefore, Alabama Power Company is hereby notifying the Nuclear Regulatory Commission of this reassignment in accordance with the requirements of 10CFR50.74.

Contact Mr. Lee S. Williams at (205) 899-5156 if any additional information is needed.

Sincerely,

*04 Morey*
