WEST BRANCH CONSERVATION ASSOCIATION'S
NOTICE OF CONTINUATION OF CONTENTIONS
UNDER QUESTIONS 3 AND 4.

Pursuant to ASLB Memorandum and Order of December 8, 1982 Modified Schedule, West Branch Conservation Association will support the contentions under questions 3 and 4 that it had heretofore. Additionally, it contends that the bases have not changed from those that have been previously stated.

On the contrary, FEMA failed to list as major deficiencies certain of those which we will contend are.

We find no substance to the "rapidly changing" aspect due to whatever has taken place during the 120 day clock period. We hope to have the opportunity to contend that Rockland County is no better off than it was and to so amend the testimony of some of our witnesses.
