FREEDOM OF INFORMATION ACT REQUEST

Dear Ms. Norry:

Under cover of letter dated June 5, 1984, the NRC issued Inspection Report 50-358/84-04 (DRRP). Pursuant to 10 C.F.R. Part 9, Subpart A and 5 U.S.C. §552, it is requested that all records relating to the subject inspection report be provided including, but not limited to:

1. All records which discuss the scope, limitation in scope, methodology, individuals involved, or reasons for preparation of the subject document.
2. All records concerning the subject inspection report to or from NRC supervision and management at the site, region, or otherwise within the NRC.
3. All notes taken during the course of the preparation for, inspection activities, and post-inspection activities whether or not discussed or relied upon or utilized in the subject document.
4. All records reviewed or utilized by the participants during the course of the inspection whether or not discussed or relied upon in the subject document.
5. All drafts of the subject inspection report including annotations of drafts and all records which explain any differences between or among drafts.

PDR FOIA
WETTERH84-600 PDR

6. All records in the possession of, used by the NRC or made at the exit interview concerning the subject inspection report and any records, including drafts and annotations, prepared as a result of such meeting.
7. All records, which explain, object, question, discuss, comment on, or otherwise concern the subject inspection report or the actions, conclusions, or work of the participants in the subject inspection report.

If you have any questions concerning this matter, please contact me.

Sincerely,

Mark J. Wetterhahn
