To Whom It May Concern:

We are resubmitting our annual submission of Alabama Power Company with respect to the retrospective premium guarantee required under the Price-Anderson Act, as amended, applicable to our Joseph M. Farley Nuclear Plant. Our correspondence was returned when addressed to Mr. Saltzman (letter attached); therefore, we request that you please forward these documents to the appropriate area or person and notify us of where or to whom we should reference in future correspondence.

Very truly yours,

J. Randy DeRieux
