Dear Mr. Chernick:

This letter is to provide you with individual examination results for your applicants who took the October 1996 initial license examination. In accordance with 10 CFR 2.790, this information is considered "proprietary." The enclosed information supplements and is in addition to the examination report which will be issued shortly.

The following information is enclosed with this letter:

- Enclosure 1: Completed ES-501-2, Power Plant Licensing Examination Results Summary, which summarizes the examination results. One reactor operator license candidate failed the written examination. All other individuals passed all portions of the examination.
- Enclosure 2: A copy of each individual's license and a copy of the letter to the individual who failed the examination.
- Enclosure 3: Operator License Examination Report, ES-303-1, and ES-303-2, if applicable. These reports provide individual examination results for each applicant.
- Enclosure 4: ES-401-1, written examination and answer sheets for each applicant.

Enclosures 3 and 4 provide information identified by the examiners for each individual applicant. Through your Systems Approach to Training (SAT) Program, we expect you will review the results and provide appropriate remedial training for individuals independent of their overall pass status. Each applicant has authorized the release of this information to your facility by signing Block 19A of NRC Form 398.
