FREEDOM OF INFORMATION
ACT REQUEST
FOIA-85-658
Rec'd 9-30-85

Dear Mr. Felton:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to the Deviation Analysis Reports of the Cleveland Electric Illuminating Co., which is building the Perry nuclear power plant.

If there are any fees for searching for, or copying, the records I have requested, please inform me before you fill the request.

As you know, the Act permits you to reduce or waive the fees when the release of the information is considered as "primarily benefitting the public." I believe that this request fits that category and I therefore ask that you waive any fees.

If all or any part of this request is denied, please cite the specific exemptions which you think justifies your refusal to release the information and inform me of your agency's administrative appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 working days, as the law stipulates.

Yours sincerely,

James T. Lawless
