License No. DPR-35

April 1997 Monthly Report

In accordance with Pilgrim Nuclear Power Station Technical Specification 6.9.A.2, a copy of the Operational Status Summary for Pilgrim Nuclear Power Station is provided in Attachment #1 for your information and planning. Should you have any questions concerning this report, please contact me directly.

In addition, Attachment #2 is the second in a series of reports on the progress of establishing a replacement location for the South Weymouth Naval Air Station (SWNAS) Reception Center. These reports will be submitted on a monthly basis until the new reception center is functional.

N. L. Desmond
