Docket No. 50-255

Consumers Power Company
ATTN: Mr. R. C. Youngdahl
Executive Vice President
212 West Michigan Avenue
Jackson, MI 49201

Gentlemen:

This acknowledges receipt of your letter dated May 12, 1978, informing us of the actions taken with respect to the findings of our investigation relating to the security program at Palisades which were transmitted to you in our letter dated April 21, 1978.

With respect to your other letter dated May 12, 1978, in which you request that IE Investigation Report No. 50-255/78-05 be withheld in its entirety from public disclosure, RIII defers your request pending further evaluation. We will inform you of the NRC position on your request in the near future.

We have reviewed your response regarding (1) the steps you have taken to correct the noncompliance identified in our letter dated April 21, 1978; (2) your actions taken or planned to make more effective the management system relating to the Palisades security program and (3) actions taken or planned to reduce high turnover of security force personnel and to prevent misrepresentation of

security force weapons qualification and/or requalification records.
We have no further questions concerning these responses at this time.
We will examine your corrective action during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

James G. Keppler
Director
