Gentlemen:

Thank you for your letter of May 1, 1986, in response to our letter and Notice of Violation dated April 1, 1986. We have reviewed your reply and found it to be inadequate regarding training on procedures that are to be changed; however, a telephone conversation between Mr. R. Baer from our office and Mr. T. E. Schleiger of your staff on June 17, 1986, discussed the methods you will implement to assure personnel are aware of these procedure changes. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,

"Original Signed by:"
