SUBJECT: PBAPS Licensed Operator Renewal Applications, BWR Units 2 & 3

Dear Mr. Miller:

Enclosed are the personal qualification statements (NRC Form 398) for the renewal of four Reactor Operator Licenses.

<u>NAME</u>	<u>LICENSE NO.</u>	<u>DOCKET NO.</u>	<u>EXPIRATION DATE</u>
Eugene P. Angle	OP-10646-1	55-61005	09/12/99
Michael D. LeBrun	OP-11081	55-61491	08/01/99
John H. Seitz	OP-11082	55-61717	08/01/99
Zoltan I. Varga Jr.	OP-11085	55-61718	08/01/99

These PECO Energy Company employees have worked on site for a considerable length of time and the past six years have provided additional operating experiences. Each applicant has a continued need for his license, has competently carried out his licensed duties, and will continue to be directly engaged in plant operations. They continue to satisfactorily complete the approved requalification program.

Completed Certificates of Medical History (NRC Form 396) are included in each application.

Sincerely,

John Doering Jr.
Vice President, PBAPS
