Note: Numbers may not add due to rounding.

¹The FY 2021 Explanatory Statement identified this control point as the "Integrated University Program" and, consistent with previous fiscal years, included \$5.5M for Nuclear Science & Engineering Grant Program. Division Z of the Consolidated Appropriations Act, 2021 replaced the Integrated University Program with the University Nuclear Leadership Program. Consequently, for FY 2021, this control point consists of both Nuclear Science & Engineering Grant Program and the University Nuclear Leadership Program.

² Office of the Commission is part of the Corporate Support control point. The Office of the Commission has been allocated carryover in addition to the \$9,500K of FY 2021 enacted funding. The NRC will obligate no more than a total of \$9,500K in FY 2021 for the Office of the Commission.

³ University Research and Development was part of the Integrated University Program control point in previous fiscal years.

⁴This is not part of the \$35,000K of carryover that was authorized for use by the FY 2021 Explanatory Statement.

⁵FY 2020 supplemental appropriation from the "Coronavirus Aid, Relief, and Economic Security Act" (CARES Act), P.L. 116-136, enacted March 27, 2020. The supplemental appropriation of \$3,300K was fully obligated in FY 2020.
