

CHAIR

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

January 9, 2023

Chair, Committee on Energy  
and Commerce  
United States House of Representatives  
Washington, DC 20515

Dear Chair:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am providing the November 2022, monthly status of the NRC activities, and use of unobligated carryover funds appropriated from the Nuclear Waste Fund (NWF). The enclosure provides the NWF expenditures in November 2022, consistent with the U.S. Court of Appeals for the District of Columbia Circuit's decision in *In re Aiken County* regarding the licensing process for the U.S. Department of Energy's Yucca Mountain license application. During this reporting period, the NRC provided support for legal proceedings and limited program planning and support activities.

Please feel free to contact me or have your staff contact Eugene Dacus, Director of the Office of Congressional Affairs, at 301-415-1776, if you have questions or need more information.

Sincerely,

A handwritten signature in black ink that reads "Christopher T. Hanson". The signature is fluid and cursive, with the first name "Christopher" being the most prominent part.

Christopher T. Hanson

Enclosure:  
As stated

cc: Committee Ranking Member
