Attachments: 1_3_23 Olive Ridley Capture Sheet.pdf; Olive Ridley - Dorsal.JPG; Olive Ridley - Ventral.JPG

Hi Audra,

Following up with a voicemail I just left, the St. Lucie Plant captured an olive ridley on 1/3/23. The turtle was in good condition and was released, with a satellite tag. Attached are the capture sheets and photos with additional information. Please let me know if you have any questions.

Thanks,

Kristin (Peekstok) Eaton
