Title: Public Open House to Discuss the Nuclear Regulatory Commission's (NRC) 2022 Annual Assessment of Safety Performance at Columbia Generating Station

Date(s) and Time(s): April 27, 2023, 03:00 PM to 04:00 PM PT

Location: Richard Public Library, Conference Room  
955 Northgate Drive  
Richland, WA

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: NRC staff will host an in-person end of cycle open house meeting to discuss the NRC's assessment of safety performance at Columbia Generating Station for 2022, as described in the 2022 annual assessment letter. NRC resident inspectors will be available for questions about the safety performance of the station and the NRC's role in ensuring safe plant operations.

Comments: The public is invited to participate in this meeting by asking questions and providing comments throughout the meeting. The agenda is an open house poster session where members of the public are welcome to attend and ask questions. Alternatively, questions may be submitted in advance to [Mary.Bennett@nrc.gov](mailto:Mary.Bennett@nrc.gov)

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at [Anne.Silk@nrc.gov](mailto:Anne.Silk@nrc.gov) or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
